

***BCYF Paris Street Community Center  
Girls Teen Center  
After School Program***

The Girls Teen Center After School Program runs five days a week  
Monday-Friday 1:00-5:30 pm for girls 9-14 years of age  
at BCYF Paris Street Community Center.

When participants arrive at the center after school they do homework in a fun, safe environment with other girls their age. Our friendly all female staff can provide school work help if needed. After the girls' school work is complete, they participate in different daily activities of their choice. Plus every Friday night there is a different field trip!

The Girls Teen Center has no fee for afterschool programs; however fees may apply for field trips. Attendance for the whole week is encouraged.

**Program Includes:**

- Homework help, project help and more
- Movie days
- Computer Lab access
- Girl Talk
- Gym Time
- Field Trips: Movies, the Mall, Plaster Fun Time, seasonal trips, Roller World and more!
